HILLMORE WOOD PRODUCTS

ETOBICOKE - TORONTO, ONTARIO - M8V 3J2

Hillmore Wood Products Ltd., proudly presents its 50th - Anniversary Catalogue.

Large number of pieces in this catalogue have been made by Hillmore for many years. Some pieces have only recently been added to the line. For 50 years we have been dedicated to building fine quality furniture in traditional and contemporary styles, for Canadian homes. The name Hillmore has come to symbolize quality, craftsmanship and dependability.

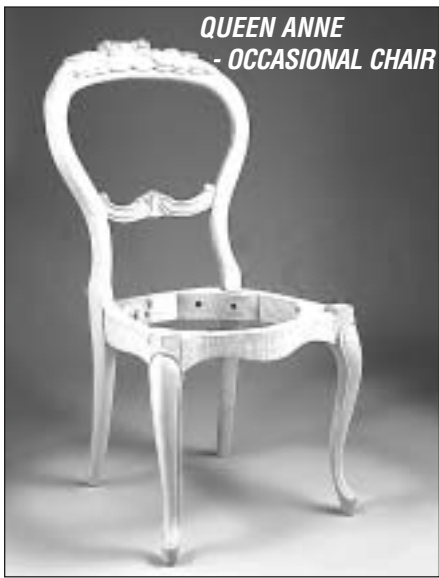

We are old-fashioned enough to believe that the things people make, should be made to last a lifetime.
